Filed November 18, 1986

For: A TRANSMISSION
DEVICE HAVING AN
ADJUSTABLE OSCILLATING
OUTPUT

) Before the Supervisory
) Patent Examiner

) Andres Kashnikow

) Art Unit 3104

The Commissioner of Patents and Trademarks
Washington, D. C. 20231

Sir:

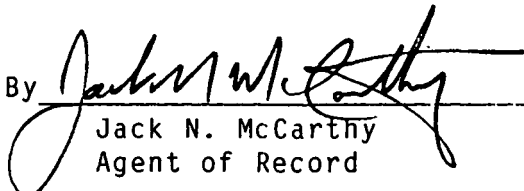

STATUS REQUEST

While inquiries have been made since March, 1991, including STATUS REQUESTS received by the Patent and Trademark Office on December 2, 1991 and April 17, 1992, and applicant has been told that there is no problem, applicant would like to have a written reply setting forth the present status of the above-identified application, including the applicant's request that an interference be declared between this application and U. S. Patent No. 4,948,052, issued August 14, 1990. Applicant's request that an interference be declared is dated February 11, 1991. A reply should include when any action will take place.

Respectfully submitted,

CARL L. C. KAH, JR.
